**2.0 CE Credits** all courses

**8:30 a.m. -10:30 a.m.**

## **You Said What? Critical Incidents in Clinical Supervision** **Course Level: Intermediate**

Clinical supervisors encounter challenging situations. Video stimulus vignettes of some of these moments will be provided, and parameters of appropriate, ethical, and affirmative clinical supervision practice including parameters from the APA Guidelines for Supervision of Health Service Psychologists (2014, 2015). Participants will have the opportunity to problem-solve approaches to the incidents.

**Carol Falender, Ph.D.**, is co-author/editor of five books on clinical supervision. She was a member of the Supervision Guidelines of the Association of State and Provincial Psychology Boards (ASPPB) and Chair of the Supervision Guidelines Task Force of APA. She was the recipient of 2018 Distinguished Career Contributions to Education and Training in Psychology Award from the American Psychological Association.

**Mudita Bahadur, Ph.D.**, is a clinical psychologist in Santa Monica and a former member of the LACPA Ethics Committee. She is a national Trainer and Consultant for the Academy of Cognitive Therapy, and trains clinicians in CBT around L.A. County. Dr. Mudita has worked at the Providence Saint John's Child and Family Development Center as a clinician and supervisor and is in private practice serving children and adults.

### **Attendees will be able to:**

- I. Define one problem-solving approach to multiple relationships.
- II. Describe management of supervisee countertransference.
- III. Address multicultural diversity of client, supervisee, and supervisor in the clinical supervision context.
